

BACK TO SCHOOL?

Do you have assignments to do and no idea how to start?

Try some of our online databases at www.ccls.org
and get those assignments done!

Databases are current and accurate, giving you quick access to valuable authoritative information without being overwhelmed by the confusion of thousands of sites from an Internet Search Engine.

Use your Chester County Library System card to access these databases at home!

User Guide

Do you have an assignment like these?

Find 5 facts about Ronald Reagan.

Choose a woman scientist and read 3 articles about her.

*Then use **Biography Resource Center** which indexes major biographical reference materials and full-text magazine articles.*

User Guide

Are you stumped by these requirements?

Write a 3 page report about terrorism.

Prepare a speech about global warming.

*Then use **Opposing Viewpoints Resource Center** which includes overviews, statistics, and magazine and newspaper articles on social issues.*

User Guide

Are questions like these spoiling your weekend?

What games were played in Medieval Times?

Can you find a timeline for inventions?

*Then try **Daily Life Online** which includes articles and maps arranged by time period.*

Do you need homework help?

***Live Homework Help** connects students in grades 4 and up with **LIVE TUTORS** in Math, Science, Social Studies and English. Available from **4:00-10:00 PM** every day.*

There are other databases which will be helpful.

Find a complete list of Databases.

You can also Contact a Librarian
to help you choose a database or suggest another source.
