

USING THE DAILY LOCAL NEWS DATABASE

What is this Database?

This is an index to the *Daily Local News* from 1985 to 2005. It does not contain full-text articles. The database is accessible from any Chester County System Library and includes major articles on government, schools, local businesses, townships and boroughs. It does not include obituaries, police blotters or wedding/birth announcements. Articles may be retrieved on microfilm found at the Chester County Library, Exton.
