

# FACTS ON FILE: WORLD NEWS DIGEST

Use **World Digest News** to answer questions about domestic and international news since 1940. Find out what happened on a particular date. Find a searchable hourly newfeed, primary source documents, timelines, newspaper editorials, editorial cartoons, in-depth coverage guides, an almanac, an encyclopedia and suggested research topics.

## **Find It**

Go to [www.ccls.org](http://www.ccls.org)>Databases (left side)>F> Facts on File>World News Digest.

## **Browse It**

Browse top stories by decade, by country, by issue. Read a featured news article or recent featured stories. See in-depth coverage, special features such as country profiles, historic documents, newsmaker profiles, obituaries, photos, charts and maps, heads of state, etc. Find research topics.

## **Search It**

Use the **Keyword Search** box on the upper left of the website. Use **quotation marks around phrases and proper names**. You can search the **story and title text** or **title text only**, using keywords or a specific phrase, and specify **date ranges** for results, from any page. Use AND, OR, or NOT to refine your search. For news on a particular day, click **Advanced Search**. For Help, click (?) on the upper right.

## **Display It**

Use tabs to sort results by New Articles, Breaking News, Analysis and Background, and Reference Shelf. Download **Browsealoud** software in the Technical FAQs section to **hear text you select** from World News Digest or to **record selections as MP3 files**.

## **Save It**

You can save articles from one session in a guest folder. To keep the folder for later sessions, sign up with the site.

## **Take It**

The articles have persistent links so that you can find them later.

To e-mail from an article's page, click the envelope icon on the upper right. Separate multiple addresses with a semicolon (;). E-mailed versions of articles include citation information. **They do not include images**. Add the e-mail address **Requests@Facts.com** to your "safe sender" list to ensure that the article reaches your inbox.

To print from an article's page, select the printer icon on the upper right. A printer-friendly version of the article will appear **including images**. Use your browser's **Print** function to print the article with its citation.

## **Cite It**

MLA or APA formats are given.
