Find It

Go to www.ccls.org>Databases>G>Gale Virtual Reference Library (if asked, enter the 14 digits of your library card barcode)>Proceed.

Search It

Basic Search

Search words in document title, keywords or within an entire document. Search a particular publication or all of them. A list will appear with items that match or are similar to your criteria. If there are no results, you will see a message asking you to revise your search.

Advanced Search

Use AND, OR, or NOT. Use quotation marks around phrases. Search by keyword, document or publication title, image caption, subject, etc. Limit by documents with images, date, title of publication, subject or target audience (academic, general, or children).

Subject Guide Search

Enter search terms, then select from their list of subject headings. Limit by publication date, publication titles or document type.

Find Help

Online Help Pages offer tips and tools for effective searching.

MLA, APA and Z39.80 Tag Citation Formats are available. EndNote, ProCite, Reference Manager and RefWorks are supported.

Merriam Webster's Collegiate Dictionary is available in Gale Virtual Reference Library.

Display It/Save It

Results display in the middle of the page. Click a title to view the article.

To the right of each article is a box marked **Tools** with options to view PDF pages, print preview, e-mail, save, **download an audio version of the article in MP3 format**, Citation Tools or translate to selected languages.

PLEASE CALL FOR ADDITIONAL HELP.
