

Consumer Health Complete provides reliable and easy-to-understand health information at your fingertips.

- More than 170 reference books & encyclopedias provide answers to health-related questions
- Find reports, fact sheets, pamphlets, news articles, magazines, images, & videos on any number of health topics

Getting Started

1. Visit www.chescolibraries.org > Tools & Research > All CCLS Databases > Consumer Health Complete
2. If you are accessing Consumer Health Complete from home or anywhere outside of the library, **you must provide your library barcode number.**

TIP: To learn more about using advanced search features, select 'Database Help' at the top of the search screen.

3. After running your search, sort your results by document type, date, author, or relevance

4. Narrow your results by subject or publication type

1. **[Prevalence of type 2 diabetes among Yoga practitioners: A pilot cross-sectional study in two districts in India.](#)**
 By: Jagannathan, Aarti; Narayanan, V. V.; Kulkarni, Isha; Jogdand, Sonali P.; Pailoor, Subramanya; Nagarathna, R. *International Journal of Yoga*. Jul-Dec2015, Vol. 8 Issue 2, p148-153. 6p. DOI: 10.4103/0973-6131.158485.
[PDF Full Text \(1.3MB\)](#)

5. To see the document record, click on the heading or simply select the PDF Full Text link to read the article.

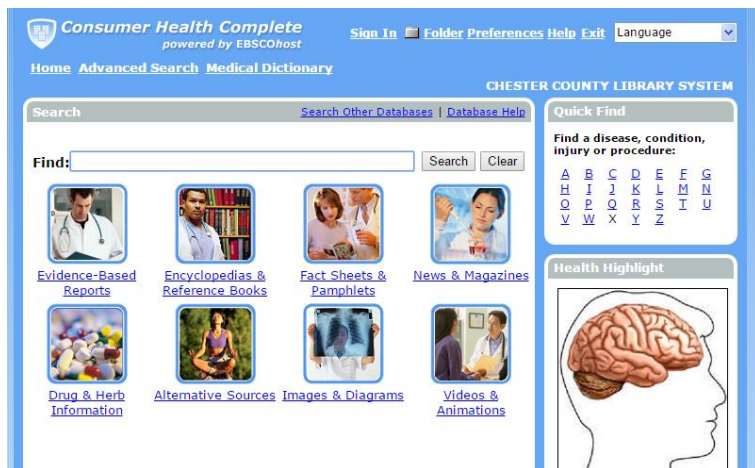

TIP: You will need Internet Explorer 7.0 +, Google Chrome 16 +, or another up-to-date browser of your choice. See 'Help' to learn more about your options.
